# REGISTRATION PROCEDURES

- Fill out the course request form
- Enter requests on the Q portal
- Check out the registration “how to” YouTube video: <https://youtu.be/PnPMIyvOYB8>
- Individual meetings with your counselor
- You will come to the MPR with your English class:

## Registration Dates:

- February 7<sup>th</sup> – February 17<sup>th</sup>

# WHAT ABOUT NEXT YEAR?

- Take challenging and different classes
- There are many AP and Honors courses that can help prepare for the rigors of college
- Taking the AP exams after completing an AP class can be a benefit for college
- **Moorpark Statistics (M015) Fall/Spring**

**Waivers are open through May 13<sup>th</sup>:**

**<https://www.tohscounseling.org/waivers22-23.html>**

# CSU EXPOSITORY READING/WRITING COURSE (ERWC)

- **NEW** English Course Offering for 12<sup>th</sup> grade year
- Designed for the **high-achieving CP student** who nearly meets the college-level writing requirements for CSU and UC English courses
- Passing ERWC with a C or better eliminates the need for a remedial college English class.

# 4<sup>TH</sup> YEAR OF HIGH SCHOOL MATH IN 12<sup>TH</sup> GRADE YEAR

- Taking a math course in the senior year strengthens students skills to be better prepared for college coursework
- The CSU (and UC system) highly recommends students complete a 4<sup>th</sup> year of math
- No GAP year!
- The completion of a 4<sup>th</sup> year of math with a C or better is considered for placement in GE math courses

Must complete a math above  
Algebra 2CP

# UC & CSU REQUIREMENTS

## Complete 15 A-G courses (11 of them by end of junior year)

You need to complete a minimum of 15 college-preparatory courses ([A-G courses](#)) with a letter grade of C or better, with at least 11 courses finished prior to the beginning of your last year of high school.

The 15 courses are:

a. History	2 years
b. English	4 years
c. Mathematics	3 years
d. Laboratory science	2 years
e. Language other than English *or equivalent to the 2nd level of high school instruction	2 years*
f. Visual and performing arts	1 year
g. College-preparatory elective (chosen from the subjects listed above or another course approved by the university)	1 year

**A grade of D+ or below in any “A-G” requirement should be remediated**

# CTE PATHWAY COMPLETER

**CTE Pathway - two or more courses in the same career sector**

First course - concentrator

Second course - capstone

**If you currently in a CTE class, consider taking the second course!**

## **Benefits of CTE Pathway Completion:**

Opportunity to earn industry certification - build your resume

VCCCD 2+2 articulation to bridge to college classes

Deeper knowledge and develop skills in career sector

Work-based learning opportunities - mentorships, internships

CVUSD CTE Completer Certificate

Graduation cord in your pathway

CTE Pathways offered at:  **THOUSAND OAKS HIGH SCHOOL**

SCAN ME to begin your journey!

## Arts, Media & Entertainment

Those with a passion for photography, videography, digital art, production or performing can tap into their talents and opportunities in the arts, media and entertainment industry.

### Pathway: Commercial Photography

- > Beginning Photography
- > Art of Commercial Photography Honors
- > AP Photography: 2D Art and Design

### Pathway: Computer Graphics

- > Computer Graphics
- > Advanced Computer Graphics

## Education, Child Development & Family Services

The caring, capable and committed professionals who work in this industry educate students, help get young children off to a great start and offer a helping hand to those in need.

### Pathway: Education

- > Beginning Peer Mentoring
- > Education Aide
- > Advanced Peer Mentoring

## Health, Science & Medical Technology

If you're the kind of person who enjoys caring for other people while utilizing your intelligence and hands-on skills, now is the perfect time to check out the Patient Care Pathway.

### Pathway: Patient Care

- > Medical Terminology
- > Sports Medicine

## Manufacturing & Product Development

This industry sector's pathway provides students with an understanding of manufacturing processes and systems common to careers in welding and related industries.

### Pathway: Manufacturing

- > Machine Tool Technology
- > Metal Fabrication
- > Applied Manufacturing

## Building & Construction Trades

The building and construction industry needs people who can utilize their creativity to turn their ideas into reality with their talent to design and build. This Pathway offers you the opportunity to learn the hands-on skills necessary to enter 15 different trades such as finish carpentry, framing, masonry and plumbing.

### Pathway: Residential & Commercial Construction

- > Construction Technology
- > Woodworking Principles
- > Advanced Construction Technology

## Engineering & Architecture

Engineering empowers students to step into the role of an engineer, adopt a problem-solving mindset and make the leap from dreamers to doers.

### Pathway: Architectural Design

- > Drafting and Computer-Aided Design (CAD)
- > Architectural Design

## Information & Computer Technologies

Computers are everywhere in the business world as well as our personal lives. This means the people who have the skills to keep our computers on the cutting edge of technology are in high demand.

### Pathway: Computer Programming

- > Computer Programming 1
- > Computer Programming 2

## Marketing, Sales & Service

This business-related sector is designed to equip students with the skills and foundation to create their own businesses and follow their entrepreneurial spirit.

### Pathway: ETHOS Academy

- > Entrepreneurship
- > Sports and Entertainment Marketing
- > Virtual Enterprise

# SAT/ACT TESTING

**SAT** – offered at various times throughout the year

[www.collegeboard.org](http://www.collegeboard.org)

**ACT** – offered at various times throughout the year

[www.act.org](http://www.act.org)

***It is not required to take both the SAT & the ACT.  
Check our college and career center website for  
test prep classes and testing information.***

# NCAA STUDENT ATHLETES

- Must let counselor know if registering as an NCAA athlete
- Refer to counseling website under the NCAA tab for more information and resources

<https://web3.ncaa.org/ecwr3/>

# NAVIANCE

- Receive e-mail communications from counseling department
- Research college and career pathways
- Research scholarships
- Keep track of courses and graduation plan
- Access college application tips and guidelines
- Electronically submit transcripts and forms to colleges
- **Key component of college applications during 12<sup>th</sup> grade year!!**
  - **Can NOW log in using your Google Learn Account**

# COLLEGE AND CAREER

- **Universities & Colleges**
- **Ventura County Community Colleges**
- **College Admissions representative visits**
- **Advanced Placement (AP) registration**
- **ACT, SAT, & PSAT**
- **Financial Aid Night**
- **College & Career Information Night**
- **Federal, State, & Institutional Financial Aid**
- **Local, State, & National Scholarships**
- **Peer Tutors**
- **Job Opportunities**
- **Work Permits**
- **Outdoor School Camp Counselor Program**
- **Armed Services Representatives for Service Academies/Recruitment**

<https://www.tohscounseling.org/collegecareer-center.html>
